

Trauma Management

Hosted by:

Northeast Counterdrug Training Center

**Middle Atlantic Great Lakes Organized Crime Law Enforcement Network (MAGLOCLN)
Columbus Division of Police**

This military-led familiarization course is designed to provide law enforcement officials with an overview of trauma management techniques that can be executed as a team or by individual providers. In addition to instruction on select types of trauma and treatment, first responders are also taught to consider "big picture" aspects such as mental aspects of trauma management, tri-age, care under fire, collection, evacuation, and communication. The course culminates in a final exercise that uses all lessons learned via several scenarios where students demonstrate treatment, support, and leadership techniques.

WHEN

4/2/19 – 4/3/19
